

Year 6 Author visit to Ilford County High School

Robin Jarvis

From Robin Jarvis I learnt that a setting can make a writer think of all sorts of creatures such as goblins, witches and skeletons.

Robin Jarvis is a brilliant artist too and draws the characters in his books.

Robin Jarvis signed our books, among his famous titles are 'Time of power', 'The Devil's paint box' and 'Time of Blood'.

Robin Jarvis brings his characters to life by making 3D models out of metal and other materials.
